in this remarkable memoir anna goldsworthy recalls her first steps towards a life in music from childhood piano lessons with a local jazz muso to international success as a concert pianist as she discovers passion and ambition and confronts doubt and disappointment she learns about much more than tone and technique this is a story of the getting of wisdom tender and bittersweet with wit and affection goldsworthy captures the hopes and uncertainties of youth the fear and exhilaration of performing and the complex bonds between teacher and student an unforgettable cast of characters joins her her family her friends and rivals and her teacher mrs sivan who inspires and challenges her in equal measure and who transforms what seems an impossible dream into something real and sustaining

teacher empowerment is a psychological and socio structural motivational process that enhances teacher performance and self expression the current conceptualisations of teacher empowerment available in extant literature have been constructed in an anglo saxon western cultural

context there have been attempts to transfer the concept to asian countries but these attempts were faced with major obstacles since the underlying cultural assumptions are not the same across countries this book treads new ground by redefining teacher empowerment in the cultural context of south east asia using the case of brunei darussalam which has a unique socio cultural make up as a melting pot of malay chinese and other asian cultures the book offers a unique insight how the teacher empowerment dynamics is played out in this context covering more than just empowering leadership in schools the author explores how colleagues parents and students empower teachers and how teachers empower themselves this book is a valuable guide for educators and educational leaders and researchers in southeast asia and beyond who are committed to the empowerment of teachers and the qualitative enhancement of the field of education as a whole

i have an extremely high opinion of this textbook this is the only assessment text i have ever used that students actually read consistently students frequently comment about their enjoyment of the text and their appreciation for the humor injected throughout the chapters marcy blackburn cameron university the topics are presented very clearly are very well organized and are sufficiently comprehensive for pre service teachers brian c mckevitt iowa state university written in jim popham s characteristic witty style the fourth edition of classroom assessment addresses the range of assessments that teachers are likely to use in their classrooms the forces of accountability have changed educational assessment and this new edition now addresses the central issue of how classroom assessment can effectively benefit students when carried out in the context of accountability tests new legislation such as the no child left behind act nclb and issues such as state standards that directly impact classroom testing and teaching are discussed to present readers with a series of practical action options in addition the text continues to analyze more traditional topics such as validity and reliability and discusses the alternative assessments used in today s classrooms mylabschool discover where the classroom comes to life mylabschool gives you powerful insights into how real classrooms work from video clips of teachers and students interacting to sample lessons portfolio templates and standards integration we give you the tools you ll need to succeed in the classroom mylabschool is only available if your instructor has set up a mylabschool course visit mylabschool com to register all you need are your instructor s course id and an access code free when packaged with a new copy of this book or available for purchase at your bookstore or a credit card to purchase immediate online access if your instructor is not using mylabschool ask him or her to consider mylabschool to give you every chance to succeed in your course
